OVERALL OAKS & DERBY WINNER 2012
CAMELLE LAMB – LUTINO HEN

Congratulations to all that entered on the day & to the winners of the Class awards & Major awards.

The judges comments stated that there were very good quality birds on the day and that many were very close and had very little between them.

We were asked again to prepare our birds & if not sure how to ask an experienced breeder – also to remember that the Pre Selection will be coming up in May – so get ready to choose your team and commence that preparation as demonstrated by Wayne Robinson at our last meeting night. For any that did not get a copy, you will find a printed sheet on the attached.

To anyone that did not win and **award** on the day, then best of luck next time and hope you enjoyed the day. Remember our hobby needs you and most of us just love our birds and the company of like minded people. So sometimes on the day there is only a smidgen between the winners & yours could be the winner next time.

Kind regards, Camelle
